

## NEAH BAY

The Makah Tribe welcomes visitors to share in the beauty of this scenic area. The name “Makah” makes reference to warm hospitality and a generous nature.

For more information on Tribal policies, please see roadside reader boards located near the entrance of the Makah Reservation or one block west of the Makah Cultural & Research Center.

We appreciate your visit to the area and hope that you will return and spread the word about our distinctive and beautiful location!

## RECREATION PERMITS

Tribal Recreation Permits are required to purchase and display in the window of your vehicle while utilizing trails, beaches and other areas in Neah Bay. The current fee as of 2024 is \$20 per vehicle. The permits are valid for the calendar year.

Businesses that sell permits are listed inside this brochure.

## MAKAH MUSEUM

*at the Makah Cultural and Research Center*

Visit the Makah Museum, the nation's sole repository for the 500 year old Ozette artifacts. The village of Ozette was located 15 miles south of Neah Bay and served as a year-round home for Makahs until the early 20th century. A group of longhouses had been covered in a mudslide, perfectly preserving the houses and their contents for several centuries.

Beginning in 1970 and continuing for 11 years, the Makah Tribe and Washington State University excavated 55,000 artifacts that illustrate the Tribe's fascinating history as whalers, sealers, fishermen, hunters, basket weavers, spinners, artists and warriors. The 500 best examples of the Ozette collection are on display, along with dioramas and replica canoes and a full-sized longhouse.

The museum is open year-round, 7 days a week from 10 a.m. to 5 p.m. Guided tours are available for groups, upon request.
